Groupwork

The teacher will divide the class into small groups. Each group will choose one of the film trailers to watch using the YouTube link. Make sure you are in a group with a film none of you have seen before, you may need to change groups.

You will be given a list of adjectives –

- Check you understand the meanings, if you are not sure ask the teacher or look them up.
- Mark the adjectives with a *tick* ✓ for positive, a *slash* / for neutral, and a *minus sign* - for negative
- Together watch the trailer. First of all, check if all the information you agreed on as class from the film poster is accurate.
- Then select the adjectives you would use to describe the film.
- What information can you find out about **the plot** from the trailer.
- What do you think will happen in the film?
- As a group discuss if you would like to watch the film. Why ?/Why not?
- For homework write up a short review about the film – use plenty of adjectives! You can talk about the direction, acting, plot, music etc.
